

COMMUNITY UPDATES

May is National Historic Preservation Month
Join the Celebration

May 1 kicks off our celebration of National Historic Preservation Month. This is a time when people across America celebrate their history, culture, and special places.

Sponsored annually by the National Trust for Historic Preservation since 1973, it is designed to raise awareness about the power historic preservation has to

protect and enhance our historic communities.

Preserving our historic resources is vital to ensuring the success of our vibrant Downtown commercial and residential environment, and to maintaining the character and heritage of our City.

Be sure to stop by our City Hall lobby to see some of the preserved treasures, generously donated to us for the month by the South San Francisco Historical Society.
